**PLAINTIFF'S INITIAL DISCLOSURES PURSUANT TO FEDERAL RULE 26(a)(1)**

COMES NOW the Plaintiff, the State of Oklahoma, ex rel. W.A. Drew Edmondson, in his capacity as Attorney General of the State of Oklahoma, and Oklahoma Secretary of the Environment, C. Miles Tolbert, in his capacity as the Trustee for Natural Resources for the State of Oklahoma under CERCLA ("the State"), pursuant to Fed. R. Civ. P. 26(a)(1), and provides the following initial disclosures based upon information reasonably available at this time:

- (A) The name and, if known, the address and telephone number of each individual likely to have discoverable information that the disclosing party may use to support its claims or defenses, unless solely for impeachment, identifying the subjects of the information:

Please see attached Exhibit A.

**(B) A copy of, or a description by category and location of, all documents, data compilations, and tangible things that are in the possession, custody, or control of the party and that the disclosing party may use to support its claims or defenses, unless solely for impeachment:**

Please see attached Exhibit B.

**(C) A computation of any category of damages claimed by the disclosing party, making available for inspection and copying as under Rule 34 the documents or other evidentiary material, not privileged or protected from disclosure, on which such computation is based, including materials bearing on the nature and extent of injuries suffered:**

Relief sought by the State includes cost recovery, assessment costs, natural resource damages, injunctive relief, penalties, expenses, declaratory rulings, attorneys fees, restitution, disgorgement, prejudgment interest, and actual, punitive, and exemplary damages. The State has not completed its damages analysis. Discovery is ongoing, and the State will supplement this disclosure as contemplated by Rule 26 of the Federal Rules of Civil Procedure.

**(D) For inspection and copying as under Rule 34 any insurance agreement under which any person carrying on an insurance business may be liable to satisfy part or all of a judgment which may be entered in the action or to indemnify or reimburse for payments made to satisfy the judgment:**

No claims have been asserted against the State; therefore, this inquiry is not applicable.

The State reserves all rights to supplement or correct this disclosure pursuant to Fed. R. Civ. P. 26(e).

Respectfully submitted,

s/ M. David Riggs
